

# Assembly Instructions

## Jumbo Bin Units - Mobile

Models:

S-4818 (JB, JR, JY)

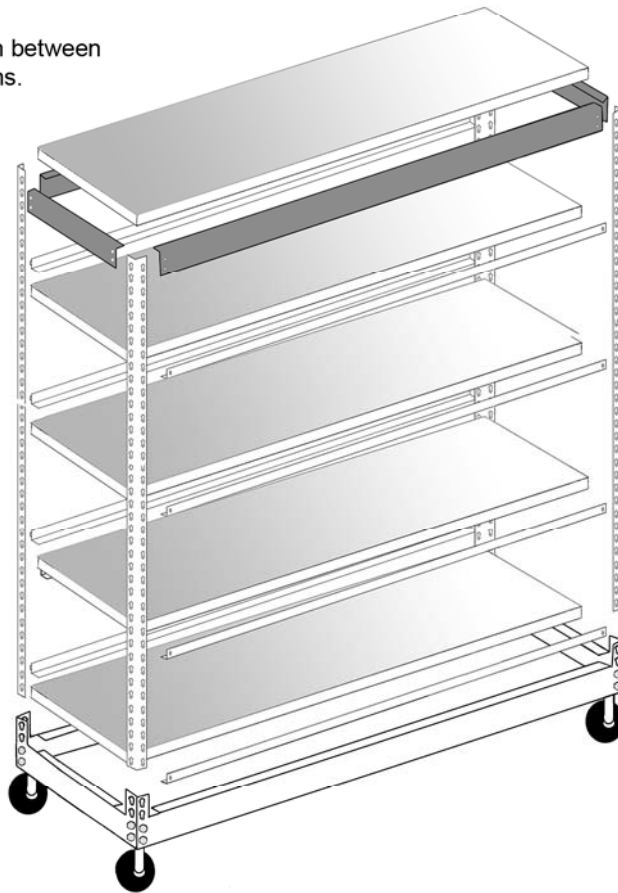

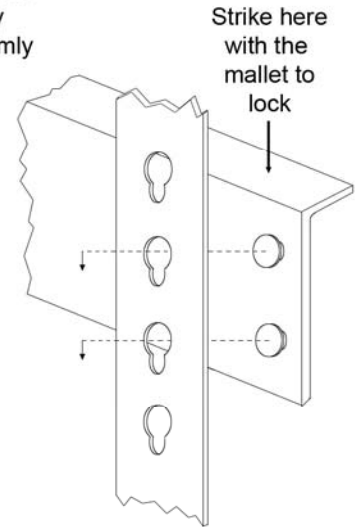

S-6018 (JB, JR, JY)

D-4836 (JB, JR, JY)

D-6036 (JB, JR, JY)

1. Attach an upright post to each corner of the mobile base.
2. Using a hammer or mallet, tap double rivet beams into top of upright posts to create top shelf.
3. Determine desired shelf spacing and install front and back single rivet beams.
4. Place wood shelves into position between the front and back single rivet beams.
5. Add bins to shelves.

NOTE: Keyholes are tapered to ensure rivets fit properly when beams are struck firmly with a hammer or mallet.
